

28/10 League match.Home to Ratoath Harps

Malahide United :2-1:Ratoath Harps

It was a cold and windy afternoon for a one o'clock kick-off, the weather was not ideal for us (or the parents!) as we were playing against the wind for the first half, but this didn't stop us, as we took an early lead thanks to Marco whose right-footed shot almost broke the net. Unfortunately we couldn't finish the half leading, as a long-range shot helped by the wind (stupid wind) went under the bar and Con couldn't do a thing about it.

During the second half we had a lot of chances as did Ratoath, but Con was on his best form as he denied all of their attempts, but, with a few minutes to go, our captain Duffer hit an incredible left footed shot from their kick-out right outside the centre circle which swerved from right to left and went into the right hand top corner giving the keeper no chance. The final whistle was greeted with cheers from us.

We still have a 100% record in the league and we've only conceded 1 goal in the league so far (in case you haven't guessed we're top of the league). We all went home knowing that that was the toughest league match over with and we are eagerly awaiting the return game.
